

# Fabrication Welding

**Provider:** Northern Industrial Training

**Length:** 4 Weeks

**Cost:** \$6,000

**Cost Unit:** Cost of the entire program

**Website**

<http://www.nitalaska.com/VocationalPrograms/WeldingPrograms/FabricationWelding/tabid/285/Default.aspx>

**Places:** Anchorage, Palmer

Students learn to fabricate metal by cutting, altering and shaping steel or other materials through the use of different tools, techniques and processes. Students will use their welding skills to fuse or join the metal parts together. A heavy emphasis will be placed on welding techniques and joining methods.

## Related Occupations

Welders, Cutters, Solderers, and Brazers

Welding, Soldering, and Brazing Machine Setters, Operators, and Tenders
